Year 5 Trip to Allerton Waste Recovery Park

Yesterday the Year 5 class visited Allerton Waste Recovery Park. They learnt about what to recycle and what not to re-cycle. They had a tour of the factory and saw a sphere with different sized holes for filtering cans to bits of food. The recycling then goes into a 13 metres underground pit to be burnt at a minimum temperature 850°C. They learnt about the energy that can be generated from burning just one recycled can of beans and in Pippa's words the "waste food stunk!!"

Your children will now be able to do your recycling for you and put the bin out!!

School Council Competition

On Wednesday 7th February the School Council will be holding a guessing competition for each class to start raising money for the outdoor classroom. Each class has a different competition on the day. It's 50p a go and there are Easter Eggs as prizes.

Year 1 - Guess the number of Lego bricks

Year 2 - Guess the number of sweets in the jar

Year 3 - Guess the name of the Teddy

Year 4 - Guess the number of pages in a book

Year 5 - Guess the number of pictures on a page

Year 6 - Guess the price of an item.

Thank you to our School Council for organising this.
